WELCOME

Welcome to our 2025 End-of-Year Pre-School Concert, Prop Stars! It's been an incredible year of growth, creativity and hard work, and today our tiniest dancers take the stage to celebrate it all. Each routine shines a little piece of their journey. The dedication, the teamwork and the pure joy of performing. Sit back and enjoy as our dancers shine, bringing fun, energy and props to the stage in a sparkling Prop Stars celebration of the year that was.

THANK YOU

From all of us at Vibe Studios, thank you for being here today and for cheering on our incredible students. Your support means the world to them and to us. We'd also like to give a huge shoutout to our dedicated staff, whose time, creativity and commitment have brought this show to life. And of course, the biggest applause goes to our performers. Your hard work, spirit and love of dance makes us so proud. You truly make this moment sparkle and shine like true Prop Stars!

VIDEOGRAPHY

To ensure an uninterrupted experience, no photos or videos are allowed during the show. Rest assured, the performance is being professionally filmed and a link will soon be sent to your email for you to download and relive the magic whenever you wish. Stay tuned and keep an eye on your inbox.

2026 TROUPE TRYOUTS

The final week of the year is tryout week for our 2026 troupes! Today, we gave you a little sneak peek of our tiniest troupe, Twinkling Stars. In the show, they performed their jazz and lyrical competition routines. Your child could be doing this next year, and so much more. While our Twinkling Stars do twinkle, our older troupes truly shine bright, and the possibilities for your child are endless in our competitive programs. At Vibe, we're proud to run our elite Shooting Stars dance program, along with our competitive Pom, Hip Hop and Cheer Troupe programs. Each designed to challenge, inspire and help students reach their full potential. For those wishing to try out, please ensure your tryout is booked online prior to attending. More information on all our troupe programs can be found in the information packs that have already been emailed to all customers.

END-OF-YEAR CELEBRATION

This year, we're celebrating the end of 2025 a little differently. Instead of our usual break-up party, where we wrap up the year, we'll be bringing the fun into the studio during the last week of the year, following our concert. Get ready for a week full of games, Christmas themed games, activities, dances and discos, all while showing off your best Christmas outfit! It's going to be a festive and way to celebrate the year, so come ready to join the party!
